### ***Meeting of November 30, 2006:***

This meeting was the annual end of year potluck. Those in attendance provided some delicious tidbits that were enjoyed by all.

Jim Wood and Roger Staab provided photos of the progress on the interior work done on the passenger depot. There were also discussions regarding plans for the coming year, (museum work, field trips, railroad equipment restorations, acquisitions, and etc). The restoration of the caboose in Colfax is proposed to start soon.

One interesting item mentioned was that the steam crane at Truckee that was proposed to be brought to Colfax for display, and then cancelled by a Truckee group, is now being prepared for movement to Colfax for permanent display near the depots.

### ***January 25, 2007 Meeting:***

We'll kick off our first meeting presentation of 2007 with more on the topic of the California State Railroad Museum collection. Ken Yeo will present a slide show of his personal photo collection of the "Grand Restoration" effort of rolling stock and locomotives when the Sacramento museum first opened. In early November, we were privileged to get a personalized tour of the CSRSM from Ken with many interesting anecdotes about the individual collections' items. Ken's meeting presentation with displays of photos of the restoration of the various pieces in the collection should be equally fascinating!

### ***NOTE:***

Nominations are now open if anyone wishes to serve as either a Society Board member or

an Officer, (President, Vice President, Treasurer, Secretary or etc.) If there are no new nominations, a vote of the general membership will be taken to renew the current slate of Board members and Officers for 2007.

New nominations may be placed at the meeting or by calling Jim Wood at 346-9607.

### **Old Business:**

The status of the SP steam crane in Truckee is apparently still in a state of flux. Hopefully more information will be forthcoming at the meeting.

### **Membership Dues:**

A Membership Renewal Form for 2007 is included in this newsletter.
