2011 saw the **return of the rotaries** to Donner. *Brendan Compton* captured this scene of a rotary hard at work in March. Brendan and other PSRHS members wowed us with impressive video footage of the rotary action. *See next page for information about a new PSRHS gallery of railroad photos by Stephen Chandler.*

Stephen Chandler Exhibit – The photo “Morning Train” above is one of several striking railroad-related scenes by Stephen Chandler that were on display at Colfax Railroad Days. Stephen captured this view of a UP freight in the mid-morning light on the s-curve above Lake Theodore near Clipper Gap. Malcolm Frost has worked with Stephen to create a gallery of his railroad photos on our club’s web site. To view the gallery, go to www.psrhs.org and click on The Gallery tab at the top of the page, then click on Stephen Chandler Exhibit. Three pages of exceptional photos are available for your viewing pleasure
