**Passing Scene** – UP 1988 is second in line in this February 2012 view of a westbound freight passing through Colfax. One of UP's Heritage Series locomotives, it proudly displays the Katy logo (Missouri-Kansas-Texas) against a red background. The Heritage Series locomotives honor fallen flags that have been incorporated into the UP system through mergers and acquisitions. The Katy locomotive was unveiled by UP in 2005. Its number 1988 reflects the year the MKT joined the UP system. *Photo by Mike Haire*
